2011 Report for Dorset Twinning Association

October 2010 – Skittles & Ploughman's Supper at the Gillingham Football Clubhouse – always a good fun night

November 2010 – Christmas Dinner at The Coppleridge, Motcombe. Well attended and a good time had by all.

February 2011 – Annual General Meeting – after the formalities we were entertained by 4 members who related their experiences of house buying in France

June 2011 – Exchange weekend – The French independently visited Kingston Maurward College for a tour of the gardens and a cream tea. On the Saturday we arranged a joint visit to the Roman Baths at Bath and rounded the day off with a Dinner at The Olive Bowl.

July 2011 – Summer BBQ – The weather held good for us and we enjoyed a splendid evening with great food and live music. It was very well supported and our guests included 10 Canadians who were on a Rotary exchange weekend with Gillingham Rotarians.

We are now looking forward to our visit to Le Neubourg next year and the strengthening of links between Gillingham's cycling club and primary schools with those in Le Neubourg.
